## How to Use These Flashcards

1. Print this document double-sided (flip on short edge) for matching front/back cards.
2. Cut along the dashed lines to separate individual flashcards.
3. Write the Arabic verse on the FRONT side of each card.
4. Write the translation and transliteration on the BACK side.
5. Review daily using spaced repetition: every day || every 3 days || weekly || monthly.

### Pro Tip: The Leitner System

Sort your cards into boxes based on how well you know them. Box 1 (daily review), Box 2 (every 3 days), Box 3 (weekly). When you get a card wrong, move it back to Box 1. This ensures you spend more time on verses you find difficult.
